

Corporate Membership

The Jacobs Levy Center offers industry practitioners the opportunity to actively participate in its mission and progress through corporate membership.

Advantages

Advantages of corporate membership include:

- Invitations to the Jacobs Levy Center's annual conference
- Opportunities to attend presentations by Wharton students on their research
- Special access to updates on Center research and activities
- Recognition as a corporate member on the Center's website
- Exclusive networking opportunities with industry peers and Wharton faculty
- Eligibility to be invited to serve on the Jacobs Levy Center Advisory Board
- Membership in the Wharton Partnership, the Wharton School's program for fostering industry and academic collaboration
